Committee meeting - The next committee meeting is to be held on 5th November @ 6.00pm @ the Empire Bar & Pool

The Committee have received a couple of written complaints from players regarding the abuse and non-sports"person" like behaviour to other player(s) &/or team members.

The committee have now handed the players involved a written notice of their attitude as not being played under "The spirit of the game" and we try to advertise the friendly competition in the City of Adelaide 8 Ball Association, so as to bring new players into our "Group".

Any player who abuses/offensive language etc. after the official notice and we receive a written complaint will be reviewed by committee and will generally lead to a banning (weeks) from playing and umpiring any games in our competition.

When sending copy of the result sheets to Nathan please ensure

- 1. A CLEAR copy is sent of the photo (some very hard to read).**
- 2. All results of players are entered, some last games have no result**
- 3. Check that the scores are confirmed when signing sheets.**
- 4. Ensure that substitutes are with correct No. or letter with name entered correctly.**

Cher is playing at the Entertainment Centre on Tuesday night so parking may be a problem if playing at the Land of Promise.
